

I 1  
12/8/86

December 8, 1986

TO: Esther Bradsher, Administration Section  
FROM: Brian Monroe, Remedial Action Section *BM*  
SUBJECT: Stolen and Vandalized State Property Items

On November 4, 1986, I discovered that the battery from our Division's 22' Terry Industries Taurus travel trailer had been stolen. The frame around a left side window had been pryed and the license plate had been removed, damaging the rear tail light. However, the license was not taken. Later, after filing the attached police complaint, Rick Tazreak discovered that a portable heater (valued at \$100-150) had been taken from inside the trailer.

Tex Irvin is taking steps to replace the stolen items. Please contact me if you have any questions.
